

St. Paul 4k Weekly News  
January 18-22, 2021

What we are learning:

- \* Jesus heals a blind man
- \* letter O
- \* number 8
- \* gingerbread friends

Special Activities:

- \* We read several books about gingerbread people and made our own gingerbread friend.
- \* We talked about Dr. Martin Luther King Jr. and that we are all different and that makes us special!
- \* We learned about the job of the president and watched a video about the White House. The children were excited about the movie theater and bowling alley in it. They also learned that there are a lot of bathrooms and fireplaces there!
- \* We made a snack that looked like bear claws.

Things you should know:

- \* We don't have school on Friday this week! Enjoy your long weekend.
- \* Repeat information: We have decided that we will not hold our large end of the year program as usual. Instead we are planning to have a special last day of school celebration - parents included! We have just begun to work out the details, but I'm planning for a shortened class day starting around 8:30. I would like to include a short program, an activity and some snacks to finish up the school year. We hope to allow one to two adults per child to attend. Would you check your calendars and let me know if you might be available for a short time on the morning of Thursday, May 27th. An adult is not required to attend, but if you would like to be there I will do my best to make the timing work out for everyone.

Dates to remember:

January 22 - no school

February 12-15 - no school

March 29 - April 5 - no school (Easter break)

Thursday, May 27th - last day of school celebration
