

THE Journey

Pastor's Letter

Scattering the Seed

For the last few months, I have been talking about evangelism, specifically as it relates to St. Paul. So far, we have talked about having a commitment to evangelism, "pre-evangelism," and community image. This month, we're going to talk about "scattering the seed."

At the entrance to church, we have a beautiful stained-glass window designed by former St. Paul pastor, Pastor George Enderle. It's a beautiful representation of Jesus' parable of the Sower and the seed found in Matthew 13, Mark 4 and Luke 8.

By Pastor Ben Golisch

The parable tells the story of a farmer who went out to sow his seed. As he scattered the seed, some seed fell on the path, some on the rocky soil, some among the thorns, and some on good ground. Each seed had potential, but the ground made all the difference. The path was too hard for the seed to grow. The rocky soil did not allow for strong roots.

Pastor's Letter (Continued)

The thorns choked off the growing seed. Only the good soil produced a harvest of thirty, sixty or a hundred-fold.

The spiritual meaning of Jesus' parable was explained by him later in each chapter. The seed is the Word of God, which is always effective. The different soils represented the different ways people receive God's Word. Some ignore it from the get-go. The devil steals it from their hearts before it ever gets a chance to take root. The rocky soil represents those who hear the Word of God and embrace it, but when that faith is tested, they quickly give up and the faith dies. The thorny soil represents those who hear the Word of God and believe, but the cares, worries and pleasures of this world slowly choke off that faith until it dies, too. Only the good soil produces a harvest of righteousness, thirty, sixty, a hundred-fold.

We can look at this parable from a few different angles. On the one hand, it is both a warning and encouragement to us. That seed of faith is precious, but it can be lost. Be careful not to be shallow in your faith or let the problems of life cause you to give up your faith. Persevere. Be strong in the Lord. Trust in the Lord with all your heart and lean not on your own understanding.

But there is another lens by which we can look at this parable, something more in line with Jesus' original telling of it to his disciples. It has to do with the proclamation of the gospel. Jesus was preaching and teaching in the towns and villages. He was scattering the seed. Many came to see and hear him. In the process, many put their faith in him. But for how long? Jesus was explaining to the crowd and to his disciples that not everyone will believe. We want them to, but they will not. Some will fall away.

That doesn't mean we stop scattering the seed. If that happens, there is no chance for fruit at all, and no chance for faith. Keep scattering. Keep planting. Keep spreading God's Word. But don't be surprised

if it doesn't always take. In the end, it's not your job to make the seed grow. That's God's job. It's what the Holy Spirit does. Our job is to scatter the seed, to share the gospel.

All of this brings us back to our evangelism thought for this month. Keep scattering the seed! Keep sharing God's Word. Keep offering that invitation. Keep witnessing to your faith. Keep scattering. You will often not see success. That can easily discourage. But take heart; don't give up. Keep doing the work of the Lord because you don't know when it will succeed, when it will produce a harvest of thirty, sixty, or a hundred-fold.

On a congregational level, it means this: let us as a congregation keep doing, keep scattering, keep reaching out. Keep trying different things. Some things will work. Others won't. But keep scattering. Who knows when and where the Lord will bless?

2023 Door Offering Schedule

The November Door Offering will go toward the Slinger Food Pantry. Twice a year we collect for this valuable community aid. We will be collecting non-perishable food items and other personal products. We will also be collecting money Nov. 2 & 5. During this month of Thanksgiving, it is good for us to remember those less fortunate than us. Remember what Christ said, "For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink... Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me" (Matthew 25:25 & 40).

- Dec. 7 & 10 (New Beginnings and Charis Gift Trees)

Worship Opportunities

Thurs. at 6:30 pm and Sun. at 7:45 am and 10:30 am (Communion on the 2nd and 4th weekends)

BIBLE STUDY OPPORTUNITIES: Wed. at 10:30 am & 6:00 pm; Sunday at 9:10

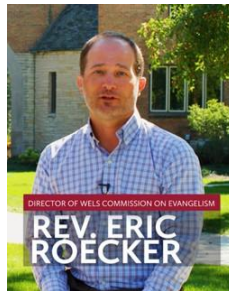

Monthly - Worship / Preachers / Themes

November Worship

- November 2 & 5 = Humility before the Lord (Sr. Vicar Zac Meier)
- November 9 & 12 = The Christian Waits: Watchful for the Bridegroom (Pastor Eric Roecker)
- November 15 & 19 = The Christian Waits: Faithful to the Master (Pastor Ben Golisch)
- November 22 & 23 = Every Good and Perfect Gift is from Above (Pastor Ben Golisch)
- November 26 = The Christian Waits: Joyful for our King (Pastor Ben Golisch)
- November 30 & December 3 = The Christian Waits: For Christ to be Revealed (Pastor Ben Golisch)

Worship notes:

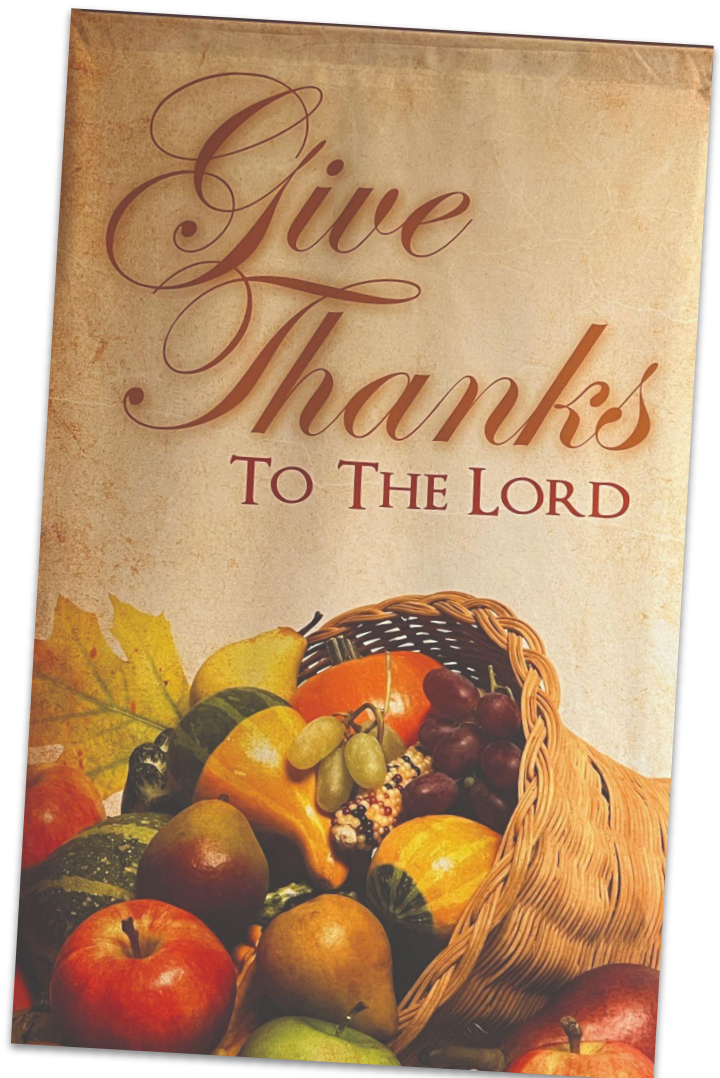

November 9 & 12 is our Mission Festival. Throughout this 150th Anniversary year, we've tried to bring back former pastors or sons of the congregation. Pastor Eric Roecker was briefly a member of St. Paul while he was a little boy. Pastor Roecker now serves as the director of WELS Commission on Evangelism. He will lead us in worship and Bible class this day.

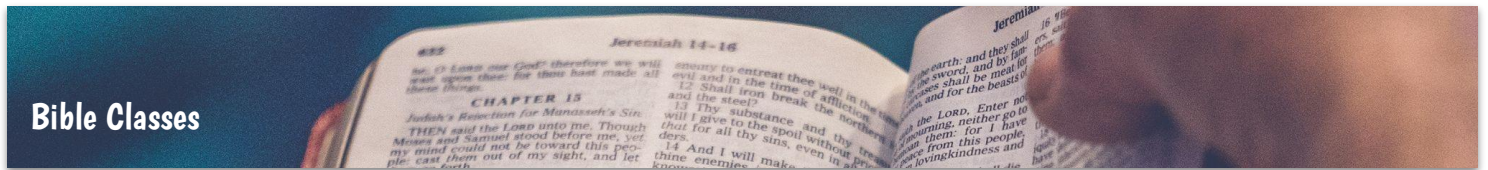

November 15 is our Deer Hunters service. In place of our usual Thursday evening service, we move things up one day to accommodate all of our deer hunters. The Lord's Supper is offered this night, but not on Sunday. (The following week, it will be offered on Sunday but not on Wednesday or Thursday.)

November 22 & 23 is our Thanksgiving service. As our nation pauses to give thanks, we do so as well as a congregation. We offer a Wednesday evening and a Thursday morning service.

November 26 is the last Sunday of the Church Year. We celebrate Christ our King. November 30 and December 3 mark the beginning of the new Church Year and the season of Advent. Christmas decorating will take place after the late service.

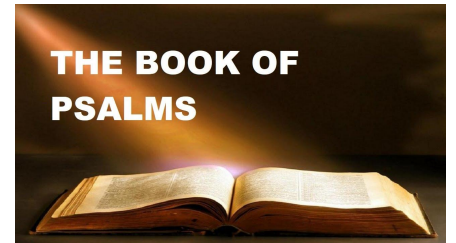

Bible Classes

SUNDAYS, 9:10-10:10am in the Commons

This November, Vicar Meier will lead us in a three-week series on the book of Psalms entitled, “Jesus in the Psalms.” Our goals in this class will be:

- 1) to hear the good news of Jesus preached by the Old Testament prophets,
- 2) to grow in our knowledge and appreciation of the psalter, and 3) to learn skills that will help us in our lifelong study of Psalms, the Old Testament, and the Bible as a whole.

We will go about this by studying three of the so-called “Messianic” Psalms: 2, 22, 118. No matter how much or little you know about the Psalms, this is a class for you! Come join us on the following dates:

11/5/23 = Introduction to Psalms, Psalm 2

11/19/23 = Psalm 22

11/26/23 = Psalm 118

November 12, WELS Commission on Evangelism director, Eric Roecker. Pastor Roecker served congregations in Virginia Beach, VA, and Menomonee Falls, WI, before accepting his current call in 2018. Last year’s Sunday Bible class on “A Time for Every Season” was part of his work. Besides preaching, he will lead us in Bible study this day. There will be special treats this morning. Don’t miss out!

WEDNESDAYS, 10:30-11:30am in the Commons

We continue to walk through the **Gospel of John**. This month we move into Gethsemane, Jesus’ trial before the High Priest, and Jesus’ trial before Pilate. All of these are so important to our Christian faith. All of this was to fulfill prophecy and all righteousness. We are getting to the point where all of this comes together with Christ’s crucifixion and resurrection. *NOTE: There will not be class November 8 or 22.*

WEDNESDAYS, 6:00-7:15pm in the Upper Conference Room or Commons

In September Pastor Golisch started a new **Bible Basics** Class. November presents some scheduling challenges to this group. Watch the bulletin or weekly eblast for specific times.

Wish List & Improvements Updates

To do:

- At a September voters meeting, the members approved the replacement of our aging CFC roof and our carport roof. The estimated cost for the roof replacement is \$130,000. While we have some funds available (\$34,000 in our Reserve Fund from a government covid payroll relief fund), it will not cover the full cost. By the time you read this, you should have received a capital appeal toward this project. Whatever is not covered by this appeal will need to be borrowed from Thrivent through a second loan. Work on this project will begin sometime this month. (NOTE: a week or so after that September meeting, we had heavy rains and the roof leaked. That leak has been fixed, but it underscores the need for action.) (M)
- Last year, we installed heat tape to certain parts of our roof. Last winter, it did what it was supposed to do. However, there was one problem area that was not done due to cost. Thanks to the generosity of an anonymous donor, heat tape will be added to the northeast corner of the chapel and pastor's office. (WL)
- So far, just over \$23,000 has been collected for the replacement of the discolored exterior panels for the stained-glass windows. Our current quote is \$30,000. We will receive an additional quote this month. The \$5,000 increase is not surprising given the current state of inflation. While still on our agenda, there are some other projects that may take priority. (WL)
- Because of the roof project, the soil erosion issue on the northwest side of the upper parking lot has been put on hold. Perhaps we can tackle it next year. (M – budgeted)

Key: WL = Wish List Items, I = Higher-Cost Improvements, M = Maintenance Items

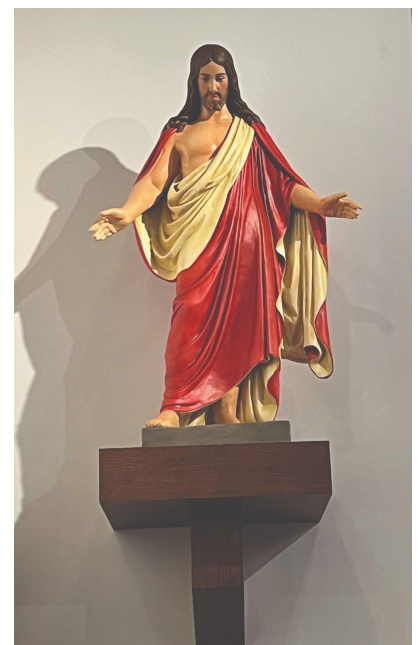

Fellowship

Christmas Decorating

The next Fellowship event will be next month, December 3. On this first Sunday in Advent, we decorate the church and grounds for the Advent and Christmas seasons. For those who go to early service

or Thursday night, you can get a jump on things downstairs after Bible class. For those attending the late service, we'll begin with a light lunch right after church. Then we will proceed upstairs to decorate the chapel, library, school hallway and outside. Your help is greatly appreciated. With lots of hands, we can be done in an hour.

Fellowship (continued)

Israel Trip

Because of interest on the part of members, Pastor Golisch has set up a trip to Israel January 8-17, 2025. That gives you over a year to plan and get ready. The cost is \$4492 departing from Chicago. (There is also an optional four-day extension to Egypt if there is enough interest.) Registration forms are on the back table in the church narthex. Note, there are discounts for early registration. Register now online at RegisterNow.ittworld.com and use tour code: Golisch25.

Some have asked about the effects of Israel's war on this current trip. The honest answer is "I don't know." If history is any indication, Israel will take care of the current threat in the next weeks or months. A year from now, I fully expect things to be back to "normal," perhaps even safer because a threat has been removed. Now I can't say that for certain; other enemies could still join in the fight. There is risk; but there is also optional insurance, which I highly recommend. If you have any additional questions, please speak with Pastor Golisch.

Financial Thoughts

How do Required Minimum Distributions [RMDs] work?

Submitted by Glenn Blank

That was the title of an article in the Fall 2023 edition of the Thrivent Magazine. The article brought out information about Required Minimum Distributions [RMD's] that all working and retired members could benefit from. This is a summary of that article.

For years we were told to save. But then when you hit your 73rd birthday, you need to start drawing from 401{k}, 403(b) plans and your IRA's. At 73 you are mandated to start taking some of that money out. RMDs are the federal government's way to collect taxes from those savings.

How are RMDs calculated and taxed? The starting of RMDs should be something that you and your financial planner or tax professional discuss. I quote from the article: "RMD's are determined by taking your previous year's retirement account balances and dividing each one by your age-dependent life expectancy set by the IRS." As the article said you

can take the RMD value from one of several accounts. The RMD amount is then taxed at your usual income tax rate. As you draw the amount, federal and state withholding should be available through your financial institution.

To reduce your RMD tax burden, you can take a Qualified Charitable Distribution [QCD] out of your RMD. Because this is a charitable donation, it is not taxed. This allows your money to go further. It's an option I have seen fellow retirees take at St Paul. It is working with your financial institution and having your offering come out of your base annual RMD. This distribution can be set up as a monthly, quarterly or annual offering.

The above is general information about RMDs and QCDs. As I noted above, this is something you need to discuss with your financial planner or tax professional, as every person's retirement situation can be different.

Bible Trivia

Test your Bible knowledge with a little Bible trivia. See page 10 for the answers.

1. Into what three categories does God distinguish the land creatures created on the sixth day?

2. What are the two sacraments we practice? _____

3. In the 8th Commandment, what shouldn't you do against your neighbor? _____

4. Fill in the blanks to a popular Thanksgiving Hymn:

Now _____ we all our _____ with heart and hands and _____,

who wondrous things has done, in whom his world _____;

who from our mothers' arms has _____ us on our way

with countless _____ of love, and still is _____ today.

Little Learners

Childcare News:

Happy Fall! The leaves are falling and the season is changing. In our Bible stories, we've been learning about the mighty changes and challenges that faced Abraham, Jacob, and Joseph. These stories remind us that not only are we part of God's family, but God is always with us and takes care of us through all our trials in life. We've been learning the songs "My God Is So Good", and "Jesus, Jesus, Jesus In The Morning".

Some themes in the Sunshine and Rainbow classroom include fire safety, community helper, autumn, Halloween and pumpkins. We've been enjoying reading books and singing songs about autumn, pumpkins, and fire safety. Some favorite gross motor activities include firefighter relay, free hula hoop bowling, and scavenger hunts.

This month, the Sunshine class is working on learning the letters D, E, and F. Our shape this month is the circle. Our color this month is orange. Our numbers this month are 4-6. We're also working on learning our name, rhyming words, and color recognition. We're practicing sharing, playing together, listening skills, taking turns, and showing kindness during play and clean up. In science, we learned about germs and handwashing, we used baking soda and vinegar to make a bubbly play "Fire extinguisher" and we enjoyed a color recognition and color mixing activity using Skittles! We also enjoyed painting with Skittles! We enjoyed painting with shaving cream and making a fire truck craft. We have been reading books about meeting a dentist, veterinarian, baker, builder, etc. We've also

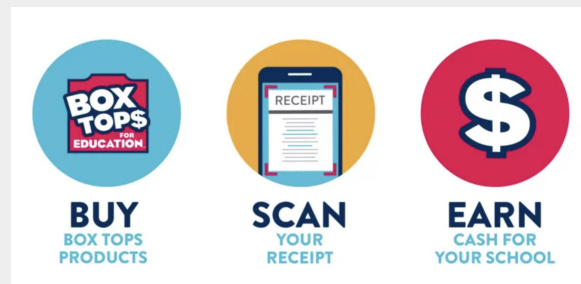

enjoyed the dramatic play of those jobs. In baking, we made a graham cracker fire truck and a homemade pretzel! Yum!

The Rainbow class is working on letters and a letter craft every week. We are also working on name recognition and school manners. We have been learning about fire safety, autumn and the changes in the season. We've been reading books and doing activities and art about leaves, and fire safety. We've also been learning about fire safety! We are all looking forward to pumpkin and Halloween week!

Box Tops for Education

Don't forget to SCAN YOUR RECEIPTS within 14 days of purchase using the BoxTops phone app. **DO NOT CUT out the new blue label AND DO NOT PLACE IT in the school collection box.**

Little Learners (Continued)

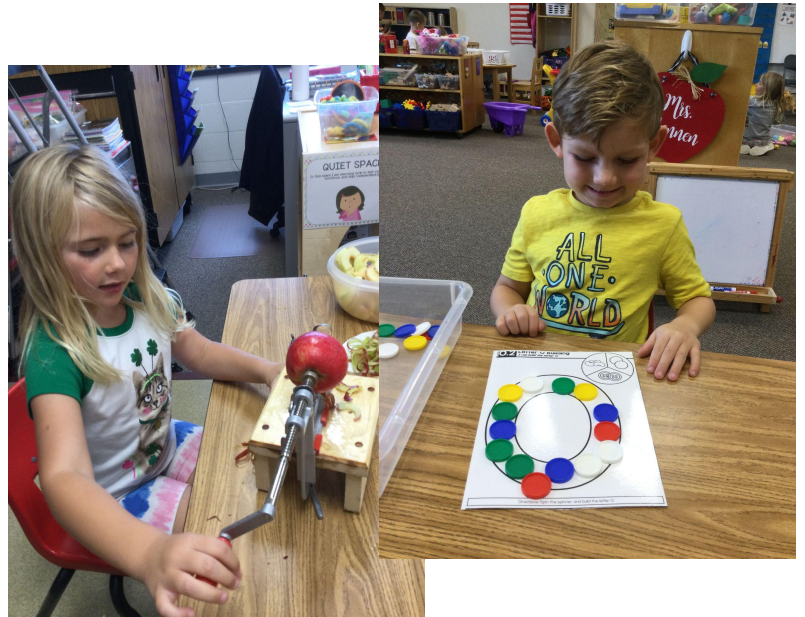

3K News:

It was a busy month in 3K! A few of our classroom activities included creating a special pumpkin project and enjoying the beautiful weather with extra playground time. On Sunday, October 29, the children had the opportunity to praise God by singing “God is So Good” and “Jesus in the Morning” during the 10:30 church service. They did a wonderful job! The preschool classes had an in-school field trip last month. The children brought a guest to school and enjoyed a story and craft led by the Slinger Children’s Librarian. Other activities included decorating pumpkin cookies and hearing a special devotion from Pastor Golisch. Our Bible lesson theme for October was God Our Protector. The children really look forward to bringing the lesson handouts home each week to share the Bible stories with their families. - Mrs. Herbst

4K News:

We are enjoying autumn in our classroom right now! We made pictures of us playing in the leaves. We made pumpkin pictures with puffy paint. We have watercolor painted scarecrows. We made pumpkins out of clay and we made applesauce. We also have pumpkins and apples that we are studying right in the classroom. We are learning more about how God took care of Noah, Abraham and Sarah, Jacob, Joseph, and Moses in our Bible stories. While reading these stories we also remember that God takes care of us too! We learned a couple of songs that remind us of this. We will share these songs with friends and family in church!

A close-up photograph of two hands gently holding a dark, heart-shaped object. The hands are positioned on either side of the heart, with fingers slightly curled around it. The background is a soft, out-of-focus light color.

Care Committee

This month marks the 9th anniversary of our St. Paul Care Committee. Reflecting back over the years, it's exciting to celebrate how far we have come to continue to keep our church family connected. From humble beginnings of a handful of people to now a core team of 9, we are thankful. Thinking of anniversaries in the church, the Bible reminds us, *"From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work."* **Ephesians 4:16 NIV.** Our care committee is an extension of our church and does its work by reaching out to visit and comfort others.

Our team is comprised of members of our St. Paul congregation. We meet once a month on Saturday mornings. We partner with Pastor Golisch to ensure those who are considered "shut in" and unable to come to church are visited on a regular basis. We also visit members who are recovering from health or life challenges, those seeking encouragement, and those wishing to spend time conversing and joining in prayer with others. We share resources from church such as Meditations, *Forward in Christ*, The Journey Monthly Newsletter, among other prayers and devotions. Over the years our team members have been blessed to

create new friendships and strengthen existing ones. It's hard to describe how much we also benefit from those we visit. We are humbled to serve our church family in this way, and we thank our glorious LORD and Savior for the opportunity to do so.

If you are looking for an opportunity to serve, or just curious and want to know more, please talk with one of our team members, and wish them a Happy Anniversary as well! It's a great conversation starter! Our committee members and leaders: **Glenn and Karen Blank, Terri Garbers, Sue Gohlke, Joyce Leverenz, Harold (Sonny) Mesisser, Marlene Miller, Kathleen Roethle, and Mary Todhunter.** Let them know how important and appreciated their work is to all of our St. Paul family. If you or someone you know would appreciate a visit, a conversation, a card or a prayer, please contact the church office. We invite you to stop in and check out our meetings at any time. The committee normally meets monthly on a Saturday morning in the commons area (Fireside room) at 9am. Our next meeting is scheduled for Saturday, November 18th. For questions or more information about the committee, please contact **Mrs. Terri Garbers** at 262-305-2894.

A photograph of a classical statue's head, likely a religious figure, shown in profile. The statue is made of a dark, textured material, possibly bronze or stone, and is set against a light, neutral background.

Bible Trivia Answers (November)

1. Wild animals (beasts of the earth), livestock, and creeping things ("belly crawlers")
2. The sacraments of Holy Baptism & Holy Communion
3. You shall not **give false testimony** against your neighbor.
4. Now **thank** we all our **God** with heart and hands and **voices**, who wondrous things has done, in whom his world **rejoices**; who from our mothers' arms has **blessed** us on our way with countless **gifts** of love, and still is **ours** today.
