

## **St. Paul 4k Weekly News**

### **October 23-27, 2023**

#### **What We're Doing:**

- \* We learned about Joseph. His brothers weren't kind to him, but he forgave them! Some bad things happened to him, but God took care of him the whole time.
- \* We cut open some pumpkins and dug out the pulp and seeds.
- \* We learned about bats. They are nocturnal and they use echolocation!
- \* We read the book Creepy Carrots and made our own carrots to scare people and pets!
- \* Our letter this week was L and our number was 3.
- \* Each week we work on our letter of the week by making it with our body, writing it, and looking at our sound jar which has lots of things that start with our letter sound!.

#### **Things You Need To Know:**

- \* This is our week for singing! We practiced by singing for our adult Bible class today. We'll sing in church on Sunday at 10:30! Meet me in the room by 10:20.
- \* Our book orders arrived this week. I'll try to send one more home before Christmas!
- \* St. Paul will be hosting a food drive for the Slinger Food Pantry from November 5-19th. There will be boxes in the entryway for donations. The children are also welcome to bring items to the classroom. We will walk down as a class to put them in the boxes. This is a great way to show the children little ways that they can help others. When the food drive is done our 4k class will pack up Mrs. Meissner's car with all of the items for delivery!
- \* In November we will spend some time talking about our families. When you have a chance would you send in a family picture? You are also welcome to send it to me by email. I can send it right to the copier from there. We'll use the pictures to tell about our families and then will make them into a class book.

#### **Dates to Remember:**

- \* Sunday, October 29th, 10:30 - Sing In Church
- \* Wednesday, November 22nd-Friday, November 24th - no school - Thanksgiving
- \* Sunday, December 3rd - Little Learners Christmas Service - 4:30
