

3K News October

The school year is off to a great start so far! The children have been very busy exploring the classroom, learning our daily routines and meeting new friends. They also really enjoyed playing outside on the playground. Our very first Bible lesson of the school year was called "God's Special Book " and we talked about how we will be reading Bible stories to learn about Jesus in 3K this year. What a wonderful lesson to start off the school year with! I am looking forward to watching the 3K students learn and grow in God's love this school year!

God's Blessings,

Jamie Herbst
