

## St. Paul Evangelical Lutheran Church

As men, women and children united by the Gospel of Christ,  
we reach out with the Gospel in order to make disciples of  
all nations, and with the same Gospel,  
we nurture those who are under our  
care in Christian discipleship.

## HOLY COMMUNION

Scripture teaches that those attending Holy Communion have a dual communion. There is a vertical communion with God as we receive the true body and blood of Jesus Christ with the bread and wine for the forgiveness of our sins. There is also horizontal communion with each other as we celebrate this gift together. Part of that communion is the testimony that we accept everything the Bible says as true and including what we receive in this Sacrament. Therefore, we ask those outside of our fellowship not to attend this Sacrament until such unity of faith can be established. Please speak with the Pastor if you have any questions or concerns about this practice.
