

St. Paul Little Learner 4k News

October News: We've had a great first month of school! We've been getting to know each other, making friends, learning the classroom routines, exploring the play centers and busy learning many exciting things. Our themes for this month include: fire safety, autumn, pumpkins, and Halloween. We are enjoying singing songs and reading books about these topics. Our letters this month are Aa, Ss, Ll, and Dd. Our numbers are 2 and 3. We're practicing syllables and recognizing and mixing colors. We're also enjoying the nice weather outside and observing the slow seasonal change to fall.

Bible Story: Our Bible story is "God Blesses Families". We're learning about Noah, the Tower of Babel, and Abraham. These stories remind us that God is in control and his promise to send Jesus, our Savior. Our Fruit of the Spirit this month is Joy. We're practicing the songs, "God Made me" and "Praise Him, Praise Him". We're looking forward to singing our Bible songs in church this month

Upcoming dates:
